

NEW ACTIVE INGREDIENT

RANCONA™ **THE NEW CHAMP**

Putting more
power in
your
punch.

Take out True Loose Smut.

Make seed and soil borne Fusarium bite the dust.

Fight for a better yield. Rancona is the seed treatment that will make it happen. New micro-dispersion formulation for better flowability and seed coverage with minimum dust-off. With outstanding performance in all cereal crops, Rancona is first in its class.
